# THE NEWS

5th of June 2028

## THE HEADLINE

Write a catchy headline showing the IMPACT that your solution has generated

Feel like drawing? Draw the image that would represent your story

## TESTIMONIAL

Tell the story from a participant's point of view. How did your solution change their life? What are the key elements of your solution that contributed to such success?life? What are the key elements of your solution that contributed to such success?

**DISCOVER  
WHAT MADE  
IT POSSIBLE**

**WHAT HAS TO COME TOGETHER TO  
REACH THE ENVISIONED FUTURE?**

A single agent can hardly solve complex challenges alone, as they need the involvement of a diverse set of assets, capacities, and other agents to succeed. Your solution should leverage the inner potential of the broader Internet Freedom community.

**HOW HAS YOUR PROJECT EVOLVED?**

Describe the main phases of implementing your solution. Then focus on the first six months, as they are critical for validating and testing your idea.

**ACTORS**

Which agents are involved? What unique knowledge / roles do they contribute to the solution?

**ASSETS**

What community assets does the solution leverage?

**CAPACITIES**

What capacities of the end-users and other community actors does the solution leverage?

**MAIN PHASES**

- 
- 
- 
- 
- 
- 

**FIRST 6 MONTHS**

What did you do to start? (first actions, key interactions, key partners, champions,...)

**STANDARDS**

What new standard does the solution contribute to establishing? What existing common practices/frameworks do the solution leverage?

**NEW OPPORTUNITIES  
& VALUE GENERATED**

Impactful innovations develop relationship systems in which all the agents involved have clear incentives to participate.

To what extent does your solution contribute to opening new opportunities for different agents of the ecosystem?

**WHAT VALUES DOES YOUR  
SOLUTION BRING TO THE  
END-USERS  
(PRACTITIONERS)?**

**WHAT VALUES DOES YOUR  
SOLUTION BRING TO THE  
WHOLE ECOSYSTEM?**
